Course Description (Japanese Studies on Society and Culture)

- It is required for students to have a high level of Japanese language skill in order to take Japanese Studies on Society and Culture; therefore, these subjects are recommended for students at study levels 7 or above to register.
- Students may not register for subjects in which they have already earned credits, even if it is taught by a different instructor.

Subject Name	Instructor/ Day of Week, Period		Study Goals / Class Content
Japanese Social Studies 7A: History of Japanese Literature	Makito SAYA	Mon. 5	This course studies Japanese culture from the linguistic side. Along with appreciating classic literature, it gives an outline of Japanese language styles and regional variations as well as their historical changes.
Japanese Social Studies 7B: Noh Play	Haruko OHKI	Tue. 4	This course consists of lectures on Japanese “Noh” play, a type of Japanese traditional performing art. The course will review the relationship between Noh and Japanese political community, theater art, and characteristics of physical expression through visual materials.
Japanese Social Studies 7C: Classical Grammar	Yoshiaki Suzuki	Thu. 1	Students will attend lectures on the grammar of classical Japanese literature. By mainly focusing on classical Japanese texts written in a literary style from the late Edo to Meiji periods, students will acquire knowledge of classical grammar to understand the content of these texts accurately.
Japanese Social Studies 7D: Japanese Linguistics	Yoshiaki Suzuki	Thu. 2	Students will read through an introductory volume that discusses the Japanese language from a linguistic perspective. In addition to acquiring the ability to read and comprehend highly specialized texts, students will also deepen their understanding of Japanese vocabulary by analyzing the structures, meanings, and historical classifications of Japanese words.
Japanese Cultural Studies 7A: Tea Ceremony & Traditional Musical Instruments	Soki KATO Tutomu ARAO Yasuto TORAMI Akari NAGAIKE	Sat. 3 Sat. 4 (1st half)	This course consists of lectures and demonstrations on several aspects of Japanese culture, including <i>Sado</i> , <i>Heike-biwa</i> , <i>Sokyoku</i> , and <i>Shamisen</i> and touch on the history of each and their relationship with literature. This course will be held for two periods per day in the first half of the Spring Semester (from April 13 to June 1).
Japanese Cultural Studies 7B: Animation and TV Game	Yuka OSUMI Kazuya ASANO	Thu. 5	This course consists of lectures and demonstrations on several aspects of Japanese culture. Instructors are producers of Japanese animation and TV games and they will give their unique perspectives on Japanese animation and TV games as forms of popular modern culture, as well as the history of and present situation regarding the cultural output of these industries.
Japanese Cultural Studies 7C: Traditional Japanese Painting	Kazuyuki SUTO	Fri. 5	This course consists of lectures and demonstrations of Japanese culture. Students will be exposed to traditional Japanese painting through art appreciation, analysis of techniques, and reproductions.
